

ADDENDUM NO. 1 TO RFP NO. 5601-10-04

“Data Validation, Evaluation, and Related Consulting Services”

Changes to the RFP:

RFP Section 3.2.7 Standard Operating Procedures and Quality Management Plan from:

Each proposer must submit a copy of the Contractor’s validation method Standard Operating Procedures (SOPs) and Quality Management Plan (QMP).

To:

For the purposes of this RFP, data validation method Standard Operating Procedures (SOPs) and Quality Management Plan (QMP) are not required to be submitted with proposals and, therefore, will not be evaluated. However, the proposer should include a statement in his proposal assuring LDEQ that all data validation procedures will be based on analytical method specific criteria and USEPA National Functional Guidelines. SOPs and QMP documents shall be made available to LDEQ for review upon request.
